Section 11.205 continued    Children’s Division – Crisis Care

Book 3, page 50

This section provides funding for temporary care for children, whose parents/guardians are experiencing an unexpected and unstable/serious condition that requires immediate action resulting in short term care, and without this care the children are at risk for abuse and neglect or at risk of entering state custody. Crisis Nurseries serve children ages birth through 12 years of age (and siblings of these children if necessary). Care for this age group is typically due to an immediate emergency where the parent has no other support systems to provide care and the child is too young to be left alone, such as parental incarceration, another sick child in the household, child care provider calls in sick and the parent must work, parental illness, etc. This section also provides funding for a safe haven for teenagers, ages 13 through 17 years, who are experiencing a crisis at home. In order to qualify for crisis care services, it must be determined that the teen has no other place to go and without this care is a t rick of living on the street or in other inappropriate or unsafe environments, or alternatively entering state custody.

Children’s Division – Crisis Nursery

This section provides funding for temporary care for children, whose parents/guardians are experiencing an unexpected and unstable/serious condition that requires immediate action resulting in short term care, and without this care the children are at risk for abuse and neglect or at risk of entering state custody. Crisis Nurseries serve children ages birth through 12 years of age (and siblings of these children if necessary). Care for this age group is typically due to an immediate emergency where the parent has no other support systems to provide care and the child is too young to be left alone, such as parental incarceration, another sick child in the household, child care provider calls in sick and the parent must work, parental illness, etc.
